CIRCULAR

The Principal,
All the Schools Affiliated to
Bhartiya Shiksha Board (BSB),
Haridwar, Uttarakhand

Subject: Relaxation in Section Intake Capacity and Extension of Online Registration Deadline for Classes IX & XI (Session 2026–27).

Respected Madam/Sir,

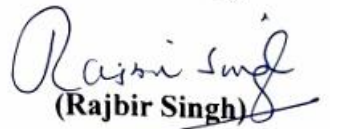

The Board has already lived the online registration portal for its affiliated schools w.e.f. 17.08.2026 and the last date for registration is 04.09.2026 (without late fee). Moreover, the intake limit in a section was 40 students per class.

Further, many requests are received from the schools to increase the intake limit of students in a section as well as to extend the last date of registration without late fees, the following relaxation has been extended to the schools:

- **Section Intake Limit Relaxation:** Considering that the online registration portal has been introduced for the first time by the Board, and schools are also executing this process digitally for the first time, the maximum student intake capacity per class section has been increased from **40 to 45 students** in the online registration portal.
- **Extension of Registration Window:** To further assist Schools in completing the process smoothly, the deadline for online registration of student data for Classes IX and XI has been extended for **16 days**, effective from **05.09.2026 to 21.09.2026**, without any late fee.

All school heads are advised to complete the registration process within the extended period to avoid last-minute technical delays/late fee. Now the last date for registration of students of classes IX and XI will be **21.09.2026**.

Yours faithfully,

(Rajbir Singh)
