No. BSB/COE/2026

October 9, 2026

To

ALL The Principals/Heads of Schools
Affiliated with the Bhartiya Shiksha Board

Subject: Correction in Registration data of Class IX/XI (Session 2026-2027) and in LOC data for Class X and Class XII for Board Examination, March 2027.

Madam/Sir,

This is in continuation to Board's circular dated 26.09.2026 and subsequent reminders issued thereafter, whereby all the principals were directed to submit the accurate data of Registration for classes IX & XI (session 2026-2027) as well as List of Candidates (LOC) for Classes X and XII, for the Board Examination 2027.

In order to ensure accurate data of Registration (Class IX/XI)/LOC Data (Classes X/XII), one time opportunity for correction in the data **except subjects** is being provided to the schools as per the following schedule'-

SCHEDULE FOR CORRECTION WINDOW OF REGISTRATION (CLASSES IX/XI) AND LOC DATA (CLASSES X/XII)
12.10.2026 (MONDAY) TO 21.10.2026 (WEDNESDAY)

To avoid further complications, the schools are directed to verify the following information once again: -

1. Check whether the individual data of your student i.e. name, date of birth, mother name and father name etc. has been correctly filled in the Registration (Class IX/XI)/LOC Data (Classes X/XII).
2. The names with the expanded form have been filled in and not the abbreviated names (for example RAM KUMAR SHARMA and not as R.K. SHARMA) as in future at many places, documents in extended form are required.
3. The surname has been given in case your ward is planning to go abroad as this is the requirement of almost all the countries.
4. The date of birth is correct in all respects.
5. It is the responsibility of the SCHOOL that all the data of their students submitted in the Registration/ LOC is correct.

भारतीय शिक्षा बोर्ड (BSB)

(A National School Education Board)

By launching the correction window as per the above schedule, Board is once again providing the schools another opportunity to ensure that only the correct data of the students is filled in the Registration (Class IX/XI)/LOC DATA (Classes X/XII). This will also help in the smooth conduct of the Board examinations.

No other opportunity for change / correction of data will be provided thereafter.

In view of above, all the schools are directed to verify the data and make correction (if any) in the Registration data/LOC data strictly as per schedule given above.

Yours faithfully,

(RAJBIR SINGH)
