You are requested to arrange and provide the wall clock in each room where examination is to be conducted. Beside above, one wall clock may be provided at the entrance of the gate to facilitate the students about the timing at the entry into the examination centre and check that time of the wall clock of centre is set as per Indian Standard Time (IST).

The students who are going to appear in the Board Examination March 2026 may not be allowed to wear any wrist watch and health band etc. to avoid use of UNFAIRMEANS during the conduct of Board Examinations, March 2026.

An acknowledgement in this regard will be appreciated.
